Process of Donations to the SJBHS OBA from USA

Established on 15th December 2025

PREAMBLE

1. For the BJES and SJBHS OBA to receive international donations from our alumni in any foreign country, the donations need to be in compliance with India's FCRA (Foreign Currency Reserve Act) regulations. Monies cannot be sent directly from a foreign country to the **BJES-SJBHS OBA** account.
2. For US donors to be in compliance of US charitable donation regulations and obtain a US tax deduction for donations to foreign non-profit organizations, they need to donate through a US registered 501c-3 public charity (not a private foundation).
3. **SJBHS OBA, BJES and JAANA** have established a partnership with a US public charity (Learn for Life Foundation – LFL, a US registered public charity, established in 2012 by Thomas Thekkethala-SJBHS '77). LFL has served as a FREE pass-through, FCRA compliant, non-profit organization for the past 13 years. LFL processed FCRA compliant donations from international countries as well as it being a US tax deductible and investment vehicle for US donors though individual donor accounts at Fidelity Investments USA.
4. JAANA in collaboration with LFL Foundation will manage all statutory requirements for these donations and work with the donors to provide them with the necessary documentation to avail tax benefits.

SJBHS OBA – BJES - JAANA in collaboration with Learn for Life Foundation, provides the following ways for the Old Boys / Girls in the USA to donate to the SJBHS OBA.

1. Setting up an **Endowment Account** (Minimum of $12,000 payable over 3 years). The amount donated for the Endowment will be invested (kept) in a Fidelity Account. The gains from this (donor can choose how much money, subject to a minimum distribution of 5% of the corpus) will be sent to the SJBHS OBA annually. Donor may opt for access to this Fidelity account, i.e., they need to opt in, access is not by default. The donor can view the Fidelity Account and decide how to invest it in consultation with his/her investment advisor.
2. **Grant** to the SJBHS OBA (minimum $1,000). The full amount donated will be sent to the SJBHS OBA. The donor must specify how this money has to be deployed in India using the OBA Donation Agreement. Grants along with the instructions for deployment will be sent to SJBHS OBA.
3. **SJBHS OBA Overflow Fidelity Account** - Donations of amounts of less than $1,000 and amounts in excess of what can be deployed annually by the SJBHS OBA, will be retained in an SJBHS OBA Overflow Fidelity Account. The SJBHS OBA will have access to this account and can manage these funds in consultation with JAANA Finance.

Ways to Give:

1. ACH/Wire: For automated ACH and Wire Transfer Instructions email jaanafinance@gmail.com with Subject "JAANA General Endowment"
